

Running Wild For You.....To You!

It is our sincere desire to help with the COVID-19 quarantine the best way we know how. And that is with us helping you, our friends and families, with cooking our delicious foods for you to pick up or us deliver. With the urgent need to cease all public gathering we are helping our fellow Oklahomans by offering food items and meals to be picked up or delivered to your home or business during this difficult time.

Teresa and I along with our full culinary team are very concerned and are taking every precaution to ensure your safety. Our “normal standard” of foodservice practices have been ramped up to the fullest with hourly cleaning and sanitizing of our whole kitchen and work spaces. All vehicles and delivery equipment are no exception. Please know your safety is our number one priority.

Always has been and Always will be.

Teresa Walters, Executive Chef

Debbie Lowery, Operations

Arilla Broadus, Assistant Manager

Our full menu is available with a 24 to 48-hour notice. Some items can be prepared daily. Please keep in mind we are not a restaurant but a catering kitchen. We cook in bulk under most conditions. However, we would be happy to prepare meals in quantities as small as 4 people. Served Family style.

Exceptions would be boxed lunches of Sandwiches or Entrée Salads.
